

MIDDLESEX COUNTY FAMILY COURTHOUSE

New Brunswick, NJ

In a public-private partnership with New Brunswick Development Corporation and the New Brunswick Parking Authority, Keating Partners redeveloped an entire city block in downtown New Brunswick to create a new 90,000 square foot Family Courthouse, with an adjacent 450-car parking garage. The project was part of the multi-phased Civic Square redevelopment initiative.

Keating Partners provided assistance with land assembly; prepared a program and concept for redevelopment of the property; selected the design team and managed the design and entitlement process; sourced project financing; and provided construction oversight.
