

## MOHEGAN SUN AT POCONO DOWNS

Plains, PA

This project is one of Mohegan Sun's first ventures beyond the Uncasville, CT campus and Keating Partners was honored to be selected for this major assignment. The project was built in phases, commencing with a new Grandstand, an expanded Clubhouse and 1,000 slot machines...all part of an immediate upgrade of the horse-racing operation. The new casino of approximately 400,000 square feet followed, with 2,000 slot machines and multiple entertainment, dining and retail space.

Mohegan Sun also commissioned Keating Partners to provide master plan services, including plans for a new hotel, an outlet retail center and winter outdoor recreational opportunities.
